★★★★★ Pleased and very nice buy

I got these as a gift for someone and they were very pretty and appeared to be durable and easily worn. The backs for the earrings were even the better quality style to keep the earring from accidentally slipping out of the ear and getting lost.

★★★★★ Gorgeous earrings

Gorgeous earrings. Substantial size. I'm very impressed with how nice they look at this price. They are nice enough for dressy formal occasions but are not too over the top for everyday wear. Definitely would recommend.

Absolutely Beautiful

These are a nice size! I was schocked to see just how big they were for the price! I bought 3 pair, they make wonderful Christmas gifts. I definitely kept a set for myself.

They are gorgeous! Completely stunning! Super shining, cute, very expensive look, very light weight and comfortable to wear! I got a lot of compliments about them!
